Achievements

- Only student from my college to qualify for the GATE exam in Computer Science from a non-CS branch.
- District-level chess competition winner (2012).
- 1st prize in the state-level Chekumuki Science Talent Search Test by Jana Vignana Vedika (2012).

Projects

- **EGNIS2K17 College Fest Website**
  Technologies: HTML5, CSS3, JavaScript
  Description: Designed and developed a responsive website for a national-level technical symposium, showcasing event information, schedules, and registration.
- **College Website Payment Gateway Prototype**
  Technologies: HTML5, CSS3, JavaScript
  Description: During the demonetization crisis, prototyped payment gateway integration into the college website using HTML5, CSS3, and JavaScript. Integrated Instamojo's API, addressed security challenges, and streamlined the fee payment user experience.
